The public is requested to fill out a “Speaker Card” to address the Board on any agenda item before the Board takes an action on an item. The amount of time for each agenda item is to be determined by the Chair at each meeting. Speakers shall limit their comments to matters relevant to the item on the agenda. The Chair may rule that the speaker is out of order if the comments are not germane to the item under consideration. If multiple speaker cards are submitted on one agenda item, preference will be granted to members of the public who have not spoken previously during the meeting, either during general public comment or on another agenda item. A member of the public wishing to speak on more than one agenda item at a single meeting shall limit his or her remarks to a total of five (5) minutes per meeting. A member of the public may allocate time between items in one-minute increments per item. The Chair, in his or her discretion, may allow a speaker to combine remarks on multiple items so as to speak to them during one appearance at the podium.

Public comment is limited to 15 minutes maximum. No individual speaker will be allowed more than 3 minutes, unless presiding officer of the Board decides differently.
