NEIGHBORHOOD COUNCIL ELECTION CHALLENGE RESOLUTION

March 22, 2014

Dear Mr. DeMulle:

On March 8, 2014 you submitted a challenge for the Sunland-Tujunga Neighborhood Council elections, addressing eligibility of voters.

After thorough review, it has been determined that your challenge does not qualify as a valid challenge because it is based on speculation and because it does not include any evidence of ineligible voters at the polls.

Your claim that as many as 140 voters were bused in and declared themselves to be community interest stakeholders is contradicted by the Canvass of Votes which indicated that the Community Interest Stakeholder count at the polls was 24 out of 671 voters at the polls.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.

Sincerely,

Neighborhood Council Elections Administration
Department of Neighborhood Empowerment
