**AN INVITATION FROM THE CITY OF LOS ANGELES DEPARTMENT OF
RECREATION AND PARKS GENERAL MANAGER MICHAEL A. SHULL**

As the General Manager of the Department of Recreation and Parks, I have heard from many people about how they feel about living among and enjoying the assets of our City. The Greek Theatre is an iconic venue in our backyard and I invite you to participate in the next chapter of its exciting future.

As you may know, the City of Los Angeles is embarking on an inclusive process to determine the next operator for the Greek Theatre. An important part of this process is to gain insight from those interested in the process. In order to do this, we have created a survey for you to provide input and feedback on the Greek Theatre, both operationally as a concert venue and functionally as a part of the community. We are proud to have the Greek Theatre as an asset; its past success has established the venue not only in our community, but also in the larger national and international music industry landscape.

As we forge ahead into the future, I believe there is no better time for the Los Angeles community to tell us how we can improve the operation of the Greek Theatre. We have enlisted the assistance of Strategic Advisory Group to help us in this process. Please take a few minutes to give us your thoughts about the Greek Theatre's past operation and potential areas of improvement in a short survey through the link below. Your comments are completely confidential and are very much appreciated. Thank you.

Respectfully,

Michael Shull
General Manager, Department of Recreation and Parks, City of Los Angeles
