REASON FOR CHALLENGE: Observer/Media Issues

Please state the facts for your challenge.
(max 500 words)

At the RVNC Election on April 12, 2014, I saw and heard Cecilia Ramos of Historic Filipinotown Neighborhood Council Inc: "Ginugulo ang mga nakalinyang mga tao para bumoto at sinasabi niya na huwag iboto si David for he is not a Pilipino." It means that she is confusing the people in the line not to vote for David, for David is not a Filipino and she is within in the hundred feet limit. She spoke in the Tagalog language. Then she came to me when I was serving the food and it seems that she wants a food so I ask her if she wants some food, then she answered me "Yes, what kind of food are your serving, is it the only one ? I'm not eating that food, it is only for bums! Suddenly I got an impression that she is a "mata-pobre", meaning the food we served to the people is for the impoverished and the oppressed ones! It came to my mind that she is a haughty woman. Then I witness that Cecilia Ramos making trouble outside the hundred feet polling place at the RVNC outreach booth, after she was dispersed by the poll manager from the polling room, then she sat in the sun in the parking lot where she was campaigning for her slate for many hours even the tent blew over and had to be put way.

Please state your desired remedy. (max 100 words)

Please put this NC in exhaustive measures and redo this election. There is something very shady going on where the Pilipino is to be ashamed. Change the rules for the future so this can not happen again!
