Let's Play Everywhere LA is a competition that will award 10 grant winners across the City of Los Angeles who are committed to bringing play to everyday spaces, making play easy and accessible to kids and families. It's about ensuring all kids, no matter where they come from or where they live, have a chance to build the skills—and have the fun—they need to succeed in life.

Application will be available starting June 1st and continuing to July 21st.

Winners will be announced September 15th.
