[200 North Spring Street, Los Angeles, CA 90012](#)

The public is requested to fill out a "Speaker Card" to address the Board on any agenda item before the Board takes an action on an item. The amount of time for each agenda item is to be determined by the Chair at each meeting. Speakers shall limit their comments to matters relevant to the item on the agenda. The Chair may rule that the speaker is out of order if the comments are not germane to the item under consideration. If multiple speaker cards are submitted on one agenda item, preference will be granted to members of the public who have not spoken previously during the meeting, either during general public comment or on another agenda item.

A member of the public wishing to speak on more than one agenda item at a single meeting shall limit his or her remarks to a total of five (5) minutes per meeting. Comments by members of the public who have submitted multiple speaker cards and want to speak on all items for up to five minutes at one time can choose to speak during the Multiple Agenda Items Comment period. Members of the public who choose to speak during the Multiple Agenda Items period will be given the opportunity to also speak during General Public Comments.

Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the Public Forum period. 14. Discussion and Possible Motion on Bylaws Amendment and Boundaries Adjustment for the Granada Hills South Neighborhood Council. Granada Hills South Neighborhood Council is requesting:

The Department recommends that the Board of Neighborhood Commissioners:

15. Discussion and Possible Motion on Bylaws Amendment and Boundaries Adjustment for the North Hill West Neighborhood Council. North Hill West Neighborhood Council is requesting:
1. To modify their northern boundary in **forfeiting the area** from the intersection of 405 FWY and Lassen Street, west on Lassen Street to Balboa Blvd, north on Balboa Blvd to Devonshire Blvd, east on Devonshire Blvd to 405 FWY, South on 405 FWY to Lassen Street to the Granada Hills South Neighborhood Council; and
 2. To share a City facility, Fire Station 87, 10124 Balboa Blvd, Granada Hills, CA 91344 with Granada Hills South Neighborhood Council and Northridge East Neighborhood Council.

The Department has **amended their previous recommendation to provide further clarification.** The Department recommends that the Board of Neighborhood Commissioners:

1. **FIND** the North Hills West Neighborhood Council's request to change their Boundaries consistent with the principles governing a Certified Neighborhood Council's purpose and operations per Article III, Section 2 (ii) of the Plan for a Citywide System of Neighborhood Councils. The northern boundary is identified by name within the adopted Granada Hills - Knollwood Community Plan Area of the City Planning Department per Article III, Section 2 (ii) of the Plan. The amended language for North Hills West Neighborhood Council boundaries are also identified by name within the adopted Mission Hills - Panorama City - North Hills Community Plan Area of the City Planning Department. The Department further finds the bylaw amendment language under Article III, “In addition, a City Facility, Fire Station 87, 10124 Balboa Boulevard, Granada Hills 91344 shall be shared with the Granada Hills South Neighborhood Council and Northridge East Neighborhood Council” to be inconsistent with the principles governing a Certified Neighborhood Council's purpose and operations per Article III, Section 2a “A proposed set of

boundaries should, to the maximum extent feasible, follow historic and contemporary community and neighborhood borders, and shall utilize natural boundaries or street lines and be geographically compact and contiguous.” and therefore recommends the rejection of this proposed amendment per the Plan for a Citywide System of Neighborhood Councils; and

2. **APPROVE** the changes to the North Hills West Neighborhood Council's bylaws by accepting the boundary adjustment; but
3. **OMIT** the shared facility request.
