The public is requested to fill out a "Speaker Card" to address the Board on any agenda item before the Board takes an action on an item. The amount of time for each agenda item is to be determined by the Chair at each meeting. Speakers shall limit their comments to matters relevant to the item on the agenda. The Chair may rule that the speaker is out of order if the comments are not germane to the item under consideration. If multiple speaker cards are submitted on one agenda item, preference will be granted to members of the public who have not spoken previously during the meeting, either during general public comment or on another agenda item.

A member of the public wishing to speak on more than one agenda item at a single meeting shall limit his or her remarks to a total of five (5) minutes per meeting. Comments by members of the public who have submitted multiple speaker cards and want to speak on all items for up to five minutes at one time can choose to speak during the Multiple Agenda Items Comment period. Members of the public who choose to speak during the Multiple Agenda Items period will be given the opportunity to also speak during General Public Comments.

Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the General Public Comment period. Public comment is limited to 15 minutes maximum. No individual speaker will be allowed more than 3 minutes, unless presiding officer of the Board decides differently.
