REASON FOR
CHALLENGE: : Campaign Material Issues, Inappropriate endorsements of candidate

Please state the
facts for your
challenge. (max
500 words)

I have consulted with the City Attorney Darren Martinez. He has sent me the link to file a challenge form. I have sent Mr. Martinez a West Hills NC data base that I found open on the web. I request that the Department and the City Attorney's office investigate who the slate was sent to by Mr. Robert Brostoff of the WHNC. I would like the Department and the City Attorney to request the BCC list of Mr. Brostoff to determine if he may have used the WHNC database for his slate, or any other data bases such as the West Hills Neighborhood Watch database. I would also like the Department and the City Attorney to investigate who has access to the date base, what candidates got access to the data base for the new candidates, and if that may have impacted the WHNC elections.

Please state your desired remedy. (max 100 words)

If the City Attorney finds that any illegal actions have been taken by any WHNC Board members, I would like them to be censured or recommended to be removed from the Board. If a candidate of the WHNC elections is found to have given other candidates contact information from the WHNC data base that may have impacted the WHNC elections, that candidate should not be seated.
