NEIGHBORHOOD COUNCIL ELECTION CHALLENGE RESOLUTION

March 22, 2014

Dear Loyce Lacson:

On March 8, 2014 you submitted a challenge for the Arleta Neighborhood Council elections, addressing the eligibility of a candidate.

After thorough review, it has been determined that your challenge does not qualify as a valid challenge according to the standards in the Elections Manual and in the Challenge Policy. Specifically:

XVI. Challenges

Any stakeholder who submits the same stakeholder documentation required of the voters in the election may file a challenge to the conduct of the election no later than five (5) calendar days after the election by filing a written request with the Department. Challenges regarding a Candidate's eligibility must be filed no later than three (3) calendar days after the day when the final verified list of Candidates is released by the Department.

The Candidate's eligibility was certified by the City Clerk and the deadline for challenging has expired.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.

Sincerely,

Neighborhood Council Elections Administration  
Department of Neighborhood Empowerment
