Mr. Hernandez,

I'm writing in response to to your Elections Challenger for the Sylmar Neighborhood Council election held on March 8, 2014.

You stated that your Challenge was based on "Concerns regarding Ballots," "Campaign Material Issues," "Electioneering by Candidates," "Eligibility of Voter," and "Eligibility of Candidate."

The essence of your challenge is based on the fact that the Sylmar Neighborhood Council's Election Committee Chair was also a Candidate for the Sylmar Neighborhood Council Election.

This is not a violation of any SNC Bylaws or of any Election Standards or Rules. Candidates are permitted to serve as Outreach Chairs and Election Chairs.

Your claim that the candidate was unfairly campaigning or enlisting voters was unsubstantiated with any evidence.

As such, your Election Challenge is not a valid challenge and no action will be taken.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.
