REASON FOR CHALLENGE: Electioneering by candidates

Please state the facts for your challenge.
(max 500 words)

On March 16th I was at the Candidates Corral at the Shadow Ranch Park during the elections for West Hills Neighborhood Council open positions. I was there as a candidate for reelection. The Corral was over 100 feet away from the voting room at the Shadow Ranch Park community building. At 3:00 PM Steve Randall, another candidate also in the Corral, mentioned that Ed Crowe who also was a candidate was standing immediately in front of the entrance to the voting room talking to a group of women. At 3:20 Pm Steve again mentioned that Ed Crowe was still standing at the voting room entrance and said that he thought that was a violation of the election rules. I went to a spot about 50 feet away from the entrance and took some pictures of Ed and the group of women and then I went back to the Corral. Ed came over in a few minutes later and said that he was talking to his wife and daughters. I referred him to Dan Brin who had also taken pictures of Ed's group. I am challenging the election of Ed Crowe to the West Hills Neighborhood Council on the basis that he clearly violated the election rules by stationing himself outside of the voting room entrance directly in the path of people coming in to vote and he was there for a significant period of time. Further, Ed is a public figure by way of his newsletter, website and various appearances and I believe that his presence illegally influenced voters entering the building.

Please state your desired remedy. (max 100 words)

Ed Crowe should be disqualified as a member of the West Hills Neighborhood Council due to his illegal electioneering and obstructing the voting area to voters.
