REASON FOR CHALLENGE: Eligibility of Voter

Please state the facts for your challenge.  
(max 500 words)

I am the current Secretary of the WHWCNC and member of the Election Committee. When I arrived at the polling place at 6:15pm I was told by volunteers that a recent PLUM applicant had brought many of his employees to the election to vote against Marty Lipkin who was running in Area 4. The applicant owns a gas station located at 23706 Victory Blvd. in area 4. The applicant owns other gas stations in the area, but NOT in Area 4. Mr. Lipkin chaired the ad hoc committee that reviewed this case. The NC Board voted to deny the applicant's request to sell liquor at the gas station. The polling volunteers were concerned that: a) that while the applicants voters showed pay stubs it seemed obvious that all the applicants employees could not work at the gas station in area 4. There is only 3 or 4 employees at the gas station in area 4. b) the name of some of the applicants voters was not the same as on the ID's and written registration forms. Their names didn't match. c) volunteers had expressed their concerns to the polling place manager but he had not been willing to step in and verify the voters credentials. d) stakeholders have expressed to me that they were neither offered nor provided provisional ballots but instead were turned away from voting at the election.

Please state your desired remedy. (max 100 words)

I am requesting: a) A review by Empowerla of possible voter fraud. b) A copy of all Election Materials per Item XXV of the Election Manual: Immediate Release of Election Materials and Item XXV1, Public Records Act, page 27&28 be immediately provided to me. c) That no documents are disposed of by the City Clerk. Regards,  
Joyce Fletcher Secretary, WHWCNC
