I'm writing in response to to your Elections Challenger for the Woodland Hills - Warner Center Neighborhood Council election held on March 16, 2014.

You stated that your Challenge was based on "Eligibility of Voter."

You continue by explaining that you were told that a recent PLUM applicant transported employees to vote in the election, that voters used identification that didn't match, that volunteers had concerns that were unresolved, and that stakeholders were turned away for lack of documentation without being offered provisional ballots.

EmpowerLA shares your commitment to the integrity of the Neighborhood Council elections but without any evidence from you, your concerns can't be addressed beyond the three-step audit process that takes place at the polls, that evening during the canvass of votes, and during the five days before the certification of the election results.

Regardless of the validity of your Challenge, rest assured that your requests can be addressed.

- a) The Woodland Hills-Warner Center Neighborhood election results have been reviewed.
- b) The Election Materials will be released to the Neighborhood Council by the City Clerk.
- c) No documents will be disposed of by the City Clerk.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.
