REASON FOR CHALLENGE: Concerns regarding Ballots
Campaign Material Issues
Electioneering by candidates
Inappropriate endorsements of candidate

Please state the facts for your challenge. (max 500 words)

It is unethical for candidates to participate in these kinds of questionable activities listed below anytime before or during an election. 1. Candidates were inappropriately using the official Pico Union Neighborhood Council Logo without permission of the Board. 2. Candidates were inappropriately using the official Pico Union Neighborhood Council banner without permission of the Board. 3. Candidates were passing out ballots already marked with their choice of candidate. 4. One of the candidates spoke during the homily part of the Mass requesting votes for the candidates currently marked on the ballots they were passing out to parishioners.

Please state your desired remedy. (max 100 words)

I think that none of these candidates should be allowed to serve on the Board if elected and should be barred from all future elections in this community or any other community. Corruption in government is rampant. It is not wanted nor needed in our community. Many of our residents left their home countries to get away from government corruption. We believe it is a basic right of the people to have an honest political process. If it is not possible here at the most local level, then where is it possible?
