REASON FOR CHALLENGE: Electioneering by candidates

---

Please state the facts for your challenge. (max 500 words)

On March 6th, Ms. Carson sent a campaign email to a large email list of Region 2 (and others) Silver Lake residents. In the campaign email, Ms. Carson accuses me of election fraud, corruption and intimidation. She intentionally misleads and lies to the reader (potential voter) solely to discredit my character and create distrust among my potential voter base. I say intentionally because Ms. Carson has spent the last 8 months trying to discredit and disparage me both in public meetings and in extension emails to my employer and other elected city officials.

---

Please state your desired remedy. (max 100 words)

Ms. Carson has demonstrated a complete lack of respect of election rules and guidelines and has a complete disregard of her fellow candidates. Based on this and other instances and because her March 6th email violated #7 of the EmpowerLA Candidate Guidelines, the only appropriate remedy is to disqualify Ms. Carson's election to the Silver Lake Neighborhood Council.
