REASON FOR CHALLENGE: ADA/Curbside voting compliance

Please state the facts for your challenge.
(max 500 words)

I brought a voter to the ADA area for curbside voting about 2:35 p.m. and no one was at the assigned area. there was a posted sign with a phone number, LUCKY I HAD MY PHONE WITH ME. I was bringing an elderly neighbor to vote. I called the number and a man said someone would be out but no idea of when. Finally after waiting my neighbor said she would go in and try to figure it out and I as a candidate left in the street. Eventually a poll person emerged with little excuse. Terence Gomes came out 20 min later to find out why I was there which I explained. he returned could not find the person looking to vote. They finally found her, the process took 30 minutes. During this time no one came out to work the area for anyone else needing assistance. Complete disregard for those needing ADA assistance by the elections operators.

Please state your desired remedy. (max 100 words)

A bit late for this now as you cannot fire the people involved but they should not be allowed to be paid for this action. A report should be submitted to the Dist Atty on this lack of support for voters needing ADA assistance.
