REQUEST FOR AGENDA ITEM SEEKING APPROVAL OF FUNDING, PROGRAMS, OR EVENTS

Date: October 29, 2012

Name/Committee: Charles Herman-Wurmfeld, Leonardo Chalupawicz (outgoing), Teresa Sitz (member-elect), Bing Anuszczyk, Jason Bushman, Omar Chavez, Jordan Crane, Dr. Rebecca Crane, Ralph Drake, Adam Dubinsky, Larry Elkberry, Maribel Garcia, Avedis Ghaghian, Sahak Ghaghian, Andranik Ghaghian, Brian Glover, Ruben Harutyunyan, Matthew Hayes, Christine Hong, Baba Ji, Ayoa Kenny, Erik Knutzen, Derek Larson, Lauren Lepucki, Michael Lockelaurie Haycock, Marela, Cliff Magreta, Suzzi Miho, Cheyrl Revkin, John Schwager, Masa Shibusawa, Ken Sitz, Christal Smith, Haamil Stephen, Sonia Touri, UPOW Local 770, Mary Vartanian, Jirair (G) Yektaarian

Text of Motion on the Agenda:

We move to advise the Los Angeles City Council to exempt Silver Lake from the recent (October 2012) medical marijuana dispensary closures and instruct the District Attorney's Office, the Los Angeles Police Department and the Drug Enforcement Agency to cease and desist from all actions related to the closure of medical marijuana dispensaries within the boundaries of the Silver Lake Neighborhood Council District, effectively allowing them to re-open.

Describe the event/protest in detail. Include as much supplemental information as possible (background information, supporting and opposing viewpoints, if available, etc.) Attach additional sheets as necessary.
On October 16, 2012, three DEA agents visited California Caregivers Alliance, a medical marijuana dispensary in Silver Lake. They warned the collective to shut down within one hour or face arrest. The agents were outfitted in bulletproof vests and carried automatic rifles. All four medical marijuana dispensaries in Silver Lake are now closed.

We understand, after conferring with the City Attorney's office, that Councilman Jose Huizar requested the closures primarily for Council District 14 - Eagle Rock. However, the DEA, rather than closing dispensaries within the CD 14 boundaries, instead closed dispensaries within the LAPD Northeast Division boundaries, in which the Silver Lake medical marijuana dispensaries are located.

These closures were not requested by the Silver Lake Neighborhood Council nor by our Councilman, Eric Garcetti.

This motion will result in a certified letter (see attached) being sent to the Los Angeles City Council and carbon copied to related agencies from the Silver Lake Neighborhood Council informing them of our request to be exempted from the City's recent ban on medical marijuana dispensaries.

What is the perceived/potential impact on the community if we adopt the motion (pro and con)?
It is our hope that the four Silver Lake dispensaries (see list attached) will be able to re-open, their employees will return to work, and citizens in Silver Lake will have safe access to their medication.

Pro:

- Citizens of Silver Lake are being denied their legally recommended medications, putting their health outcomes at risk. Citizens of Silver Lake need and have a right to safe access to their medications.
- Legitimate businesses in Silver Lake have the right to remain open.
- Employees of legitimate businesses in Silver Lake have the right to earn a living.
- Federal raids against legitimate businesses have no place in Silver Lake.

Con:

**REQUEST FOR AGENDA ITEM SEEKING
APPROVAL OF FUNDING, PROGRAMS, OR EVENTS**

Date: April 16, 2013

Name/Committee: Education Committee

Text of Motion on the Agenda:

The Silver Lake Neighborhood Council moves to approve the grant request for Casa Alegria in the amount of \$1000.

Describe the event/project in detail. Please see attached.

What is the perceived/potential impact on the community if we adopt the motion (pro and con)?

Pro: Creating opportunities for computer literacy and engagement with the youth of the community has both short and long term public benefit.

Con: Some people may feel that other organizations competing for the same grant may be better qualified.

What is the total budget for the project? How much is the SLNC asked to commit? Are there alternate funding sources?

The total budget is \$1986.00 (see attached). Casa Alegria is asking for \$1000. Alternate funding sources include private donations and Casa Alegria funds.

What is the timeline for the project?

The completion date for this project is July 31, 2013.

From which budget line(s) are the funds to be drawn?

Education Grants.

How will this motion be implemented, and by whom?

The grantee, Zachary Ginder, Director of Casa Alegria will purchase the computers.

*If motion is approved, please be sure to see the Treasurer to fill out a Demand Warrant so that payment may be issued promptly.

I helped my fellow SLNC member Anne Marie Johnson by laying out her flyer warning residents and gardeners of fines for using leaf blowers.

SILVER LAKE NEIGHBORHOOD COUNCIL

NO LEAF BLOWERS

You may not know this, but **GAS LEAF BLOWERS** harm the environment, your neighbor's health and well-being, and the health of the person operating the blower. To avoid the harmful consequences of gas leaf blowers and to avoid a potential fine, there are common sense alternatives we ask you to consider!

Use only electric powered blowers, or use a blower and a rake.

The use of gas powered leaf blowers within 500' of a business and/or residence is a violation of Los Angeles Municipal Code 12.24 (L). A fine of up to \$200 may be issued by the city against the property owner, the person or staff, any form of petting (leash is prohibited).

The Silver Lake Neighborhood Council will provide outreach education and mediation to those in need of assistance with this particular quality of life problem. Our goal is to find resolutions and avoid the involvement of city agencies, including the Los Angeles Police Department (LAPD).

For more information, please visit:

and click on the "No To Gas Leaf Blowers" info box. If you'd like, your identity can remain anonymous.

Thank you for your cooperation.
The Silver Lake Neighborhood Council

SILVER LAKE CONSEJO VEKINA

NO LEAF BLOWERS

En el caso en que usted no esté informado de este problema, los **aspiradores a motor de gasolina** causan daño al medio ambiente, su salud y al bienestar de sus vecinos tanto como a la salud del operador del equipo aspirador. Para evitar estas consecuencias perjudiciales y para evitar la multa de la ciudad, hay alternativas fáciles, y de sentido común, que le pedimos que considere. Se es necesario, por favor, considere la utilización de **aspiradores eléctricos, trineos y rastrillo, o simplemente una escoba.**

El uso de un ventilador a gasolina a 500 pies de un negocio o residencia particular es una violación del artículo 12.24 (L) LAMC (L) de Los Angeles (Código Municipal). El resultado de tal violación por una multa de hasta \$200 por parte del Ayuntamiento, para el propietario, el operador o ambos. Toda forma de conducta (leash es prohibido) de los animales domésticos es prohibida.

El Consejo Vecinal Silver Lake ofrece educación y mediación para las personas que necesitan asistencia con este tipo de problema. Nuestro objetivo es encontrar soluciones y evitar la participación de los agencias de la ciudad, incluso el Departamento de Policía de Los Angeles.
