REASON FOR CHALLENGE: Inappropriate endorsements of candidate

---

Please state the facts for your challenge. (max 500 words)  
On the day of the election the SLNC Election Chair Nina Sorokin was removed from the voting area because of electioneering. This is unprecedented and no category exists and it certainly is a violation of the law and should be included. if a candidate can be in violation of this they why not the elections chair?

---

Please state your desired remedy. (max 100 words)  
All election chairs shall be required to take ethics training and certified by the EmpowerLA and understand that electioneering is illegal. A larger look at this position within the NC may be necessary to ensure impartiality. There needs to be a new category for this as a challenge.
