REASON FOR CHALLENGE: Concerns regarding Ballots

---

Please state the facts for your challenge. (max 500 words) I am challenging the integrity of the validation and counting of the provisional ballots. I know of at least 4 provisional ballots that were cast in my name, but only 3 votes were counted. I would like to know who did the counting, who was observing. What ballots were counted and what ballots weren't.

---

Please state your desired remedy. (max 100 words) I want to see all the provisional ballots that were counted and all the ballots that were not counted. I am also asking for a recount of all ballots cast in region 7
