REASON FOR CHALLENGE: Eligibility of Voter

Please state the facts for your challenge. (max 500 words)

The following is a grievance regarding the protocol of who is entitled to vote in the Silver Lake Neighborhood Election. The inclusion of a website based, pop up, social media site Swim Silver Lake, is not in line with the goals of the Neighborhood Counsel and should not constitute a legitimate community group with voting rights in Silver Lake. As a resident and stakeholder in Silver Lake I went to the Swim Silver Lake website and entered my email address to get update on how this would impact my community. After signing up I received numerous email from Catherine Geanuracos at swim Silver Lake telling me as a member of her group I could vote in the Neighborhood election and who to vote for. My grievance is that including anyone who signed into their website was considered a stakeholder with voting rights. How can a social media website constitute a real stakeholder with voting rights ??

Please state your desired remedy. (max 100 words)

Votes that were cast by persons whose only relationship to the Silver Lake Neighborhood was by going into this website should NOT BE COUNTED in this election.
