Please state the facts for your challenge.
(max 500 words)

On April 12, 2014, in front of Mitcheltorena Elementary School, sometime during the hours of 10 a.m. to 4:00 p.m., Ms Carson did the following: She stated in public, loud enough to be heard by potential voters that I was a "lair" and that I "do not support gay rights." And she continued to state loudly that I, "think they're secondary to civil rights." She also stated that I and another candidate (Scott Plante) purposely went after homeowners and other people, hired an attorney and turned these Silver Lake homeowners into to Building And Safety for code violations. A complete lie. She also repeated, several times, loud enough for others to hear in a public setting, near the polling place that, "Anne-Marie Johnson is a liar." She was stopping people before walking into the polling place to repeat these lies. Her statements were heard by several voters, including 3 people who know me. Two of these voters contacted me after they were confronted by Ms. Carson and sent me an email detailing what they experienced and witnessed.

Please state your desired remedy. (max 100 words)

Ms.Carson has harassed and made untrue statements about me with the intentions of discrediting my reputation within the Silver Lake Community and beyond. She has targeted me and has mounted a vicious smearing campaign for almost a year, culminating with her lies and intentional goals to damage my professional and personal reputation, further her political agenda and personal bias. Ms. Carson has accused me of homophobia and other vile, untrue things and intentionally disparaging comments. Based this and other issues, Ms. Carson's should be removed from the SLNC board due to her violating EmpowerLA's Candidates Guideline #7.
