REASON FOR CHALLENGE: ADA/Curbside voting compliance

Please state the facts for your challenge.  
(max 500 words)

My parents Rita and Larry Keeshen, who reside at 1706 Redesdale Ave. LA 90026. Who are both in their 80 and long term residence of Silver Lake, have a history of voting in every civic election. It is important to them as Senior residence to have a vote and say in their neighborhood. They do not have a computer, I am writing this on their behalf. Their grievance is against: 1. The Silver Lake Neighborhood Counsel 2. Ms. Nina Sorkin, Silver Lake chairperson Nina Sorkin, was appointed chairperson of the Election committee and was given the responsibility of making sure everyone had a vote in the Neighborhood Election. Due to her gross negligence and lack of public responsibility to seniors and others with handicap, there was no handicap parking at the Election site. Due to this parking situation and traffic issues around the Voting site and lack of proper vetting of the voting location, many Senior were unable to vote and felt totally abandon.

---

Please state your desired remedy. (max 100 words)

Locations need to be vetting according with the whole community in mind. These issue where brought to the attention of Ms. Sorkin and the Silver Lake Counsel and were ignored. These issues were forwarded to DONE and were ignored.
