REASON FOR CHALLENGE: Eligibility of Voter

Please state the facts for your challenge. (max 500 words)

I have attached the my statement -- it is the attachment entitled "CHALLENGE STATEMENT" and it is 497 words according to two different computers, but it seems like your program is not accepting submission (the orange/red box is on that says, "Between (min) and 500 words allowed." So as far as I can tell, the submission didn't happen. If it did, fine, but otherwise please accept that attached document as stating the facts for my challenge.

Please state your desired remedy. (max 100 words)

(1) the election should be opened up one more day to allow for more voter participation, with a polling place made available at Citibank. (2) EmpowerLA should not take refuge in a vote count but should fully and publicly recognize that what happened with the parking lot was an utterly suspicious and divisive travesty costing not just many voters but an entire half of the community an equal footing and a fair chance to vote, and should humbly seek not cover but exposure and full scrutiny to make sure this doesn't happen ever again.
