Mr. Luna,

I'm writing in response to your Elections Challenger for the Van Nuys Neighborhood Council election held on March 20, 2014.

You stated that your Challenge was based on "Concerns regarding Ballots" and "Vote-by-Mail Process."

You continue by explaining that you think there may be some confusion in the VBM ballots.

Van Nuys had one ballot and voters could vote in person and by mail. Poll workers checked to make sure that those voters who had requested VBM ballots were not given a second ballot. Those voters who requested a VBM ballot but who wanted to vote at the polls were given provisional ballots to ensure that they didn't vote twice.

Regardless of the validity of your challenge, your request was met on election day and during the audit of election materials.

As such, no further action will be taken.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.
