REASON FOR CHALLENGE:

(max 500 words)

I have 4 concerns about the elections: 1. I was on the ballot. In order to be placed on the ballot, I had to submit written proof of my stake in the community. When I arrived at the polls, I wasn't allowed a regular ballot but a provisional one because I didn't bring the written proof to the polling place. This burdensome administrative bureaucratic decision was unnecessary. 2. The poll worker gave me half-page instructions on how to submit documentation for the provisional ballot. On the page, she wrote in "April 8" (3 business days) as the due date for the written documentation. I just found out yesterday that other folks had been advised that April 6 (3 calendar days) had been the due date. This is an egregious mistake on behalf of the poll workers. 3. I witnessed several attendees turned away from the polling station. They were not offered a provisional ballot and were not given a clear explanation of why they were not allowed to vote. 4. There was illegal and immoral campaigning occurring at the actual polling place, and the poll-workers did not stop this improper action. Several Korean-speaking people were approaching voters and telling them who to vote for WHILE INSIDE THE DOORS OF THE POLLING LOCATION.

Please state your desired remedy. (max 100 words)
