Please state the facts for your challenge. (max 500 words)
Im alarmed with the identification requirements. There are so many people in our district that reside, work, and are stake holders that dont have and ID or proper documentation due their legal status in this country. Please provide some guidance since a lot of my neighbors went to vote and were turned away.

Please state your desired remedy. (max 100 words)
In previous years people were ask to bring a receipt of purchase as a form of identification. I didnt see that was the case any longer. Who can I address this with?
