NEIGHBORHOOD COUNCIL ELECTION CHALLENGE RESOLUTION

May 16, 2014

Dear Mr. Simmons:

After thorough review, it has been determined that your challenge does not qualify as a valid challenge.

Voters in the West Adams Neighborhood Council were required to document their identity, their age, and their qualification to vote.

The circumstances you describe do not qualify as a valid challenge to the election process. Voters who documented their identity, age, and qualification to vote were given ballots. Those who were unable to document their identity, age, and qualification were given provisional ballots.

Any concerns of electioneering were addressed at the polls by the Poll Manager and do not rise to the level of a valid challenge.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.

Sincerely,

Neighborhood Council Elections Administration
Department of Neighborhood Empowerment
