

GLASSELL PARK

NATIONAL NIGHT OUT & NEIGHBORHOOD WATCH TOWN HALL

Tuesday, August 4, 2015 6pm - 9pm

On Tuesday, August 4th, 2015 Glassell Park will join over 37.8 million neighbors across 16,124 communities in celebration of National Night Out, America's Night Out Against Crime.

In partnership with the Office of Councilmember Gilbert Cedillo, Councilmember Mitch O'Farrell and Councilmember José Huizar, Los Angeles Police Department, Los Angeles Fire Department, LA Sanitation Bureau, LADOT, community groups, business, and local organizations the Glassell Park Neighborhood Council will host National Night Out – Glassell Park.

The National Night Out event will run alongside the Neighborhood Watch Town Hall organizing event. Connect with your area representatives, meet your neighbors and learn about city services. We will also provide information about Neighborhood Watch, and connect those who want to be part of an existing Neighborhood Watch or organize a new one.
