[200 North Spring Street, Los Angeles, CA 90012](#)

The public is requested to fill out a “Speaker Card” to address the Board on any agenda item before the Board takes an action on an item. The amount of time for each agenda item is to be determined by the Chair at each meeting. Speakers shall limit their comments to matters relevant to the item on the agenda. The Chair may rule that the speaker is out of order if the comments are not germane to the item under consideration. If multiple speaker cards are submitted on one agenda item, preference will be granted to members of the public who have not spoken previously during the meeting, either during general public comment or on another agenda item.

A member of the public wishing to speak on more than one agenda item at a single meeting shall limit his or her remarks to a total of five (5) minutes per meeting. Comments by members of the public who have submitted multiple speaker cards and want to speak on all items for up to five minutes at one time can choose to speak during the Multiple Agenda Items Comment period. Members of the public who choose to speak during the Multiple Agenda Items period will be given the opportunity to also speak during General Public Comments.

Comments from the public on other matters not appearing on the agenda that are within the Board’s jurisdiction will be heard during the Public Forum period. Public comment is limited to 15 minutes maximum. No individual speaker will be allowed more than 3 minutes, unless presiding officer of the Board decides differently.

The agenda is posted for public review in Main Street Lobby of City Hall East at 200 North Main Street and at 20th Floor, City Hall, 200 North Spring Street, Los Angeles. We are excited to announce Mayor Eric Garcetti's 2019 Great Streets Challenge, a \$2 million partnership program between Angelenos and the City of Los Angeles to transform streets into community public spaces, as part of the Mayor's Great Streets Initiative.

The Mayor challenges you and your community to re-imagine our streets! This upcoming year, we're awarding a total of \$2 million to communities to develop creative and impactful ways of using our Great Streets as public spaces. Successful grants will focus on community engagement, creativity, and long-term impacts.

Angelenos can apply to pitch the City on a street that they would like to receive transformative improvements. The City will award selected community partners up to \$15,000 per project to lead community outreach on a street transformation, along with implementation investments and technical assistance from transportation, economic development, and creative consultants.

Soon, Angelenos can go to LAGreatStreets.org/2018-challenge to submit their project proposals. Partners will be selected according to their organizational capacity to conduct outreach and their proposed project area's alignment with Citywide policy goals for accessibility, mobility, and equity.
