Free Car Seat Check-up Event

The California Highway Patrol is conducting a free Child Seat Event. Come get your seat inspected before your summer vacation. If your car seat is not up to par, get it replaced. Car seats reduce the risk of death by 71% for infants and by 54% for children ages 1 to 4, and reduce the need for hospitalization by 69% for children ages 4 and under. Your child's safety is important. Register for your car seat check by calling the CHP Expo Park office at 213-744-2273. ***One Appointment Per Car Seat***
